

TRUSTED WORLDWIDE

**DRE
PRO**
BORN TO CARE

Dr.PRO JSC is an importer and distributor of **premium biotech-based cosmetic brands** in Vietnam, including Dr.GRAFT, Spiderma, Bignelli, and Stay Younger.

The company is also expanding into the **export of authentic Vietnamese products** such as Golden Camellia tea, Camellia-based cosmetics, and smart consumer goods, contributing to promoting Vietnamese values to international markets.

Dr.PRO owns a **16,000 m² manufacturing facility**, specializing in OEM/ODM production of household, safety, and industrial products for export markets, strictly adhering to international standards.

With a forward-looking vision, Dr.PRO aims to become a pioneering corporation in biotech cosmetics and smart consumer goods, delivering holistic solutions that harmonize health and beauty for consumers.

VISION

Dr.PRO aspires to become a pioneering corporation in biotech cosmetics and smart consumer goods in Vietnam, while expanding our presence in international markets. We envision ourselves as a bridge that brings the world's scientific excellence to Vietnam and, in return, elevates Vietnam's unique values to the global stage.

MISSION

To Consumers

Deliver safe, effective, and sustainable health & beauty solutions, powered by advanced science.

To Partners

Be a trusted partner in distribution, OEM/ODM manufacturing, and market development.

To Community

Elevating the value of Vietnamese products, especially precious herbal ingredients and eco-friendly consumer goods while contributing to sustainable development.
