ABOUT US

Shizencos Vietnam is a pioneering company in the exclusive manufacturing of Cosmetics, Cosmeceuticals, and Premium Functional Foods following OEM/ODM/OBM methods. With over 15 years of experience, we are proud to be the manufacturing partner for both domestic and international brands, adhering to our principle of prioritizing credibility and quality.

Shizencos operates a cGMP-certified factory with a modern production system imported from abroad and is supported by a team of highly skilled experts in cosmetic research.

OUR VISION

Shizencos aims to be one of the top manufacturers of OEM/ODM/OBM cosmetics and premium functional foods in Vietnam, leading the market and expanding throughout the Asia region. Additionally, we aspire to become a trusted manufacturing partner for major brands worldwide.

We are committed to exporting Made-in-Vietnam cosmetic and functional food products to international markets, ranging from Asia to the global stage. Furthermore, we proudly serve as a member of international advisory boards and product research teams.

Shizencos continuously innovates by developing new cosmetic formulas and applying modern technologies to the production process. We are dedicated to providing businesses with the highest quality and most innovative products.

OUR MISSION

Shizencos mission for its customers is to support the creation of sustainable and successful cosmetic brands in the market, ensuring that products meet the highest quality standards and align with customer expectations.

Shizencos is committed to its partners by continuously striving to develop "high-quality new products," offering "excellent support services," and providing "cost-effective solutions," especially for newcomers in the industry.

In the workplace, Shizencos fosters a professional and civilized environment, creating numerous attractive opportunities and drawing in talented individuals from the beauty industry. Together, we aim to deliver the best value to the community and our customers.
